## Second Sunday in Ordinary Time

### Sunday 18<sup>th</sup> January 2026

Dear Parishioners,

The short introduction to St Paul's First Letter to the Corinthians contains only two sentences, but it asserts why and how the Church at Corinth is One, Holy, Catholic, and Apostolic.

St Paul first of all reminds them that he was called by God to preach the Gospel: this faith is Apostolic (built on the faith and teachings of the Apostles). It was not his own undertaking, but rather a duty that God gave him.

This faith is that of Christ Jesus, who has sanctified all who believe in Him. The Church is Holy because it has been consecrated by Christ (in His Death & Resurrection) to be set apart from the rest of the world. The Church and her members belong to God through Baptism and the other Sacraments. And St Paul asserts that this faith is shared by all believers (the Church is One) throughout the world, regardless of where they happen to be (the Church is Catholic or Universal).

One of the messages that St Paul is trying to get across to the Corinthians is that the Christian faith cannot be lived without the support of the wider community. Each of us has our own way of relating to God and the Church. These ways are deeply personal and important for shaping who we are, but they cannot exist in isolation.

The Church as a whole is called to help and assist each of her members to grow in faith and charity. The Church is necessary to encourage and support her members in being sanctified and becoming holy.

Our Baptism solidified our relationship with Christ, but it also made us members of His Church.

In this way, St Paul is asking the Corinthians (and us): how much do you participate in the life of the Church by seeking encouragement and encouraging others to live out our Faith in Christ Jesus?

With many prayers for the week ahead,

Fr Ian

## THE PASTORAL PLAN

### THE WORD WHO IS LIFE

Bishop Richard's appointment as the next Archbishop of Westminster means there are some immediate consequences for us regarding the implementation of the Pastoral Plan in the Epsom Deanery. Whilst some things, by Church Law, are put on hold until a new Bishop arrives – particularly any decision to combine the existing nine parishes into one new parish – other key elements of the Plan remain as important for us as ever; prayer, formation and mission continue to be the priorities that shape our pastoral life. Whilst the parishioner meetings around the nine parishes will not now go ahead as planned (as a significant factor in the planning for these – particularly the timetable – was the proposed changes to structure), the Parish Leadership Team will be working on proposals to enable us to continue our reflections on mission, to celebrate and develop co-operation between our parish communities, and continue to invite all parishioners to get involved. There is also a helpful article on the diocesan website about what happens (and doesn't happen) during **sede vacante**.
