Third Sunday in Ordinary Time

Sunday 25th January 2026

Dear Parishioners,

St Paul points out a fact that many of us do not like to admit - news travels fast. Chloe's people mentioned in the second reading might seem like gossips, letting St Paul know what is happening in Corinth and all the divisions among the Christian community. But the reality is that they, and St Paul in turn, are concerned about the situation. St Paul probably references the source of his information to let the Church at Corinth know that his news is reliable and that he has a real reason to correct this behaviour.

The problem in Corinth is one that has existed throughout the history of the Church. We like to associate ourselves with people we like, people whom we admire, people who help us have an identity. This also means that we can quickly distinguish ourselves from others. As people travelled and heard the Gospel, they realised that there were different experiences of Christ and different ways to relate to Him. They started to align themselves more with one disciple than the others, and they saw the messenger as more important than the message.

The Church is called to be one, united in faith, hope, and love. The Church is supposed to be a sign of unity, despite our differences. And our differences all help to build up the Church so that we can have a better understanding of who Christ is. While the message of the Gospel is preached in various ways, the message is still the same: Jesus Christ is the Son of God.

Today we are called to pray about the ways that we can focus on being united with all those who believe in Christ and to bring our own experiences forward to support, and not divide, His Church.

God bless,

Fr Ian

THE PASTORAL PLAN THE WORD WHO IS LIFE

Bishop Richard's appointment as the next Archbishop of Westminster brings immediate consequences for the implementation of the Pastoral Plan in the Epsom Deanery. While Church Law requires certain matters to be paused until a new Bishop is appointed – especially any decision to merge the nine parishes into one, the core priorities of prayer, formation and mission remain unchanged.

As the planned parishioner meetings across the nine parishes will no longer take place, the Parish Leadership Team will instead develop proposals to continue reflecting on mission, strengthen cooperation between our parish communities, and encourage parishioner involvement. A helpful article explaining what does and does not happen during sede vacante is also available on the diocesan website.

DEANERY NEWSLETTER

The latest Deanery newsletter is now available:

[Epsom Deanery Newsletter final draft.pdf](#)

It includes an encouragement to pray for Bishop Richard as he prepares to take up his new ministry in Westminster and an encouragement to all of us to continue in prayer, formation and mission for the good of our communities and the people amongst whom we live and work. There are a few paper copies in the Church porch.

THE FEAST OF SAINT BLAISE

The Feast of Saint Blaise on 3 February is a cherished tradition, especially marked by the Blessing of Throats. Honoured as the patron saint of those with throat ailments, this feast remains a meaningful moment of prayer and pastoral care.

Fr Ian will give the blessings on Sunday 1st of February.

A THANK YOU LETTER FROM PACT

Dear Joanna and St Ann's Banstead,

Thank you so much for all your support with our recent Christmas Family Day events - your donations helped us organise a really positive and memorable day for children and families. These were really appreciated by the children who attended.

The contribution made by St Ann's helped to make the day a real success - thank you so much for supporting us. Prior to the day, the mothers were able to handpick a gift for their child, wrap it themselves and write a note for them. On the day, we had Father Christmas visit to meet the children and pass on these gifts on behalf of their mothers.

We received some really positive feedback from mothers, children, families and staff alike, that the gifts received made a huge difference to the children at a hard time of year and is instrumental in supporting the bond between mothers in prison and their children.

Thank you again for your support, I hope you might be open to us approaching you in future.

Yours sincerely,
Chloe Hopkinson
Family Engagement Manager,
Pact at HMP Downview

GRAND NEWS – NEWSLETTER

The groups are organised and run **by parishioners**, with support from the diocesan network.

We hold two or three diocesan-wide gatherings each year to build community and friendships, which are always well received. Locally, parish groups meet regularly for friendship, support, prayer, and encouragement, offering a gentle and life-giving way to share the joys and challenges of family life.

If this is something your parish would like to explore, we would be very happy to visit, talk with the parish community at St Ann's, and help set up a group.

A leaflet with further information is available in the Church porch.
