A Warm Welcome To All Our Parishioners and Visitors

Second Sunday of Christmas

Sunday 4th January 2026

*Lord Jesus, the Word made flesh, you pitched your tent among us to reveal the
Father's love. As we begin this new year,
open our eyes to see your glory in our daily lives and fill our hearts with the grace and truth
that only you can provide.
May your light dispel our darkness and lead us into the way of peace.*

Amen.

ST ANN'S CHOIR, MALE & FEMALE SINGERS NEEDED

Ever wanted a good reason to join our choir, not only is it great to be part of a friendly group, but there are also health benefits to singing, please read below to find out more!

Health Benefits of Singing

Studies show that singing boosts levels of secretory immunoglobulin A (SIgA), a key immune antibody that protects the airways and digestive tract. Singing strengthens immune response more than listening to music or resting because it combines emotional expression, controlled breathing, and physical engagement.

Singing reduces stress by lowering cortisol, which allows immune function to improve. It also stimulates the vagus nerve, helping regulate the nervous system and support overall health. Research suggests group singing may enhance these benefits further through shared breathing and emotional connection, improving both mood and immune resilience.

If you would like to find out more please speak to Flick Saunders our Musical Director or contact the parish office: banstead@abdiocese.org.uk
